PROJECT

E-commerce Website
- Built an e-commerce site with PHP, Laravel, auth, product listings, and a dynamic cart.
- Integrated **secure login/logout**, optimized database schema, and implemented **RESTful APIs** for smooth communication between front-end and back-end.
- Optimized **On-Page SEO** (meta tags, structured data, page speed) to enhance search rankings.

Personal Portfolio Website(http://ashistech.space/) ↗
- Designed and developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript, ensuring fast loading and optimized performance on all devices.

VaWebHub – Digital Agency Website ↗
- Developed the complete business website for a digital agency using PHP and modern UI/UX.
- Highlighted services, stats, and client sections with mobile-friendly design.

Other Notable Projects (WordPress & Shopify)
Delivered 20+ WordPress websites across sectors like events, health, education, and NGOs.
Key projects include The Wedding Clicks, Parr Organization (parr.org.in), Essphar (essphar.in), and Stradia Sport (stradiasport.com – Shopify).
